Louis.Kuhnle@sea.siemens.com

m. All team monies and donations should be in by July 30th.

If you have **any questions** please call Kevin Sweeney, Art Balderas, Mike Soldwish or Lou

Kuhnle. Thanks for all of your help, and support!

2nd Annual Theta Chi Golf Scholarship Tournament Is Drawing Near

*August 18, 2001 at Sycamore Springs in Arlington, Ohio
 By Louis Kuhnle '96*

2ND ANNUAL TOURNAMENT NEWS:

Please join us for this year's 2nd Annual Golf Scramble. Even if you are a non-golfer, I'm sure you know some golfer's who would enjoy this great day. The main goal of this FUNdraiser is to have FUN! We have changed the format to foursomes, and we will have EXCEPTIONAL prizes to win at the banquet following the outing. There will be some major prizes that you don't want to miss out on (like a brand new set of clubs, Autographed Baseball from a Hall of Famer, pro sporting event tickets, etc.), and we will have a skins game for those teams who want a little competition to spice up the day! Please think about bringing "quality people" as opposed to just "quality golfers", because this is a fun event no matter who wins! Let's build upon last year's success and make this an even more enjoyable time. Please begin sending in your money as soon as possible because we can only have 25 TEAMS.

Please begin sending your money to Lou Kuhnle, 205 West 7th St. Marysville, OH 43040. \$280 per foursome (skins game is \$40 extra per team if you want to compete for 100% skins payback). See the Theta Chi web page, <http://www.thetachihm.org/> for more information, registration forms, etc.

Also, BRING SOME EXTRA MONEY FOR RAFFLES AND SPECIAL EVENTS. The Grand Prize is a brand new set of golf clubs (Woods 1, 3, 5)(Irons 3 – PW/SW). There will be a 50/50 putting contest on the practice green. You can buy 1 putt for \$10 or 3 putts for \$20 at a chance to win half of the day's extra-putt-purse by making a 40-foot putt on the practice green once you've completed your round. If more than one person makes it, there will be a putt-off until only one person is left.

New Executive Committee Outlines Goals For the Future

Jonathan Zimmerman '97

As the Eta Mu Alumni Corporation we must adapt to the changing times and look into what the future might hold so we can grow and continue to excel as an organization. While trying to accomplish these two things we **must** communicate with our membership. We, the Executive Committee, have set many goals to lead the corporation into the future. Our goals include the following items:

1. Increase communication within and between both the alumni corporation and the active chapter.
2. Plan events well in advance and let people know about them. During these events provide activities for everyone in our family.
3. Look into revamping our dues/fundraising structure to include lump sum payments for all events within the year.
4. Develop a useful Chapter Advisory Board that would include brothers and community members.
5. Continue to communicate with The University of Findlay and provide support to the greek system.

By accomplishing these goals our organization will head into the future better and stronger than ever. If you have any questions, concerns, ideas, thoughts, etc. about the future of our organization, please do not hesitate to contact any of the alumni corporation officers:

Wilderness Weekend 2001 – Don't Miss The Action

Tommy Schaefer '95

The date for Wilderness Weekend this year is Friday July 20 to Sunday July 22. There will be a few of us that are going up on Thursday July 19. For those that have been there everything is the same as last year except that the Lonz Winery is no longer. I sure that I speak for everyone that this was a terrible development, but in true form we searched out new ways and places for our debauchery to continue. We have many options for the weekend including the bars over at Put-In-Bay (Pat Dailey will be playing on the Saturday night.) The bar at St. Hazards and J.E. Walleyes make good places to wind down the nights once back on Middle Bass Island.

For those who have never went or have not been in a while St. Hazards has gone under many upgrades over the last 4 years. There are now villas and cabins along with the regular camping sites. There is also a pool and hot tub, restaurant, and bath and shower facilities. The villas and cabins are very nice. The villas have bathrooms with showers

The price list and various descriptions of lodging accommodations can be found on the

website at www.thetachihm.org To make reservations the phone numbers for St. Hazards are 1-800-837-5211 or 1-419-285-6121. You can also check out their website at www.sainthazards.com and look at the lodging options or make reservations.

I have been going for 10 years and I can truly say that this is one of the best events that we have. If anyone has any questions contact me at 740-984-0545 evenings until June 5th

Formal 2002, Don't miss the 30th Anniversary of the Eta Mu Chapter *Brad & Deanna Blodgett*

As we are all well aware, this year marks the 30th anniversary of the Eta Mu chapter of the Theta Chi Fraternity. In celebration of this milestone, we are beginning to plan the Spring Formal. ***Formal will be held at the Holiday Inn, Holidome in Sandusky, Ohio on April 27, 2002.*** I know many of us would like to be in Findlay, however; we were not able to find accommodations in the Findlay area that could meet our needs. The Sandusky area provides many activities for people do with their families and brothers. There are a number of golf courses nearby. We need one of the many golfers out there to assist us in planning the Friday outing. There is a sport world complex next door to the Holiday Inn that has batting cages and go-carts. There are also many antique shops and a mall in the area. And of course, there are plenty of "watering holes" where we all can go and get a belt or two if we wish. In any event, the purpose of Formal is to reunite with long lost friends and brothers and celebrate the one bond that draws us all together, Theta Chi Fraternity.

Again, the date we have chosen for Formal is **April 27, 2002**. The attire will be Black Tie. We don't have the total cost worked out as of yet since we are still finalizing details with the hotel and other needs. A block of rooms is reserved for the weekend for \$55 a night. Our rooms are being reserved in the approximate area of the dining hall that the Formal activities will take place in. We have a courtesy room for the Association Meeting and also for the children. I have not made arrangements for babysitters yet, but this is in the works. If you have any suggestions, please let me know. Final information will be posted on the website at www.thetachihm.org and will be distributed via e-mail as needed. We hope to have invitations out before the end of the year. If you have any suggestions, feel free to contact me at any time

Please put this date on your calendars. This Formal has the potential to be a very special event. Please don't miss it!
